

Gig Launch Testimonials - Artists

“Thanks to Gig Launch Mustered Courage were accepted onto the bill of the infamous Apollo Bay Festival. Apollo Bay is an amazing festival that is not easy to get on so needless to say, we are super excited to be involved and playing our music there.

Thanks to the \$1000 prize money we will be able to pay off some of our recent recording time and also keep our band members from spitting on us and stealing the food from our fridges. Thanks Gig Launch!”

“I’ve been with Gig Launch for about 12 months now and I’ve been so impressed with it.

Having all these gigs and competitions on one site is so great and makes it much easier for me as an artist to get my music out there. Publicity can be time consuming and the Gig Launch website has helped to really free up some of my time so I can spend more on polishing my craft.

Thanks so much Gig Launch!”
